

Loaded with a rolling cage, rotisserie fork, three mesh racks, mesh tray, drip tray and cage tongs, this air fryer is packed and ready to make meals that will take your cooking to the next level (in just a fraction of the time!).

Model: AF1200

12 Litre Digital Air Fryer

Features

- Cutting-edge, circulating 'turbo air' technology cooks your food with minimum oil, while still providing maximum taste
- Watch as your food grills, roasts, fries or bakes its way to perfection behind our secure, retro glass viewing window which is also removable for cleaning
- Enjoy three layers of rack levels so you can simultaneously cook meals and sides
- With an impressive 10 in-built cooking programs, you can choose from chips, beef, prawn, bake, chicken pieces, steak, fish, whole chicken, dehydrator and defrost
- With a rotisserie 360° food rotating option, you can enjoy crispy chips and even roasted nuts— all cooked to perfection
